MICHIGAN BREWERS SCHOLARSHIP 2017

Detroit, MI, November 10, 2016– It is our pleasure that we are teaming up with nine different breweries to start the Michigan Brewers Scholarship.

We will be giving away \$2,000 to up to three Schoolcraft College Brewing and Distillation Program students. We will be assigning \$1,250, \$500, and \$250. Our goal is to promote a learning environment and continue to grow one of the biggest industries in the state of Michigan by easing the student loans portion of some students.

A follow up press release within the next ten days will discuss our partners and goals for the future!
